Subject: Freedom of Information/Privacy Act Request [19-OIG-275]

Dear Ms. Best:

This responds to your Freedom of Information Act request to the Office of the Inspector General (OIG). Specifically you are requesting a listing of OIG closed investigations for calendar year 2018. The responsive document has been reviewed. It has been determined that this document is appropriate for release without excision and a copy is enclosed.

If you are not satisfied with my response to this request, you may administratively appeal by writing to the Director, Office of Information Policy (OIP), United States Department of Justice, 441 G Street NW, 6th Floor, Washington, DC 20530-0001, or you may submit an appeal through OIP's FOIAonline portal by creating an account on the following web site: <https://foiaonline.regulations.gov/foia/action/public/home>. Your appeal must be postmarked or electronically transmitted within 90 days of the date of my response to your request. If you submit your appeal by mail, both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

You may contact our FOIA Public Liaison, Deborah Waller at (202) 616-0646 for any further assistance of your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government

Information Services, National Archives and Records Administration, 8601  
Adelphi Road-OGIS, College Park, Maryland 20740-6001, e-mail at
